a collection of art from district 5

The Arts & Cultural Foundation of Antioch (ACFA) presents "East County Artists." Developed in 2001 as a California 501(c)3 non-profit organization, ACFA is dedicated to advancing all of the arts in a way that promotes communication, education, appreciation, cultural diversity and collaboration throughout the Antioch community. ACFA is funded by the City of Antioch and various community grants, such as the Keller Canyon Waste Mitigation Fee Grant, which is overseen by the District 5 office.

ACFA has a six-member Board of Directors, whose backgrounds include art, business, planning, and architecture, providing a diversely qualified vision of the arts in Antioch. ACFA provides visual arts programs through the Historic Lynn House Gallery, which exhibits throughout the year presenting a wide spectrum of themes, media and styles, with an emphasis on providing opportunities for local artists.

ACFA also promotes an appreciation for the visual arts by taking on responsibility for public art in the Lone Tree Way and Hillcrest Assessment District with the City of Antioch. Three public art projects are planned in prominent locations within the assessment district with the intention of encouraging a sense of shared community, heritage, and a pride of place for future generations.

The East County Artists Exhibit is a gathering of local artists that are associated with ACFA through the Lynn House Gallery or other visual art programs. Artists are from Antioch, Pittsburg, Bay Point, Discovery Bay, and Oakley. Some are veteran artists, others are novice, all with a passion for the arts.
